Re: Inclusion on the Northern Cavalier King Charles Spaniel Society Judging List

I hope that you will be aware that the new EU General Data Protection Regulations (GDPR) have been updated from the original Data Protection Act 1998 (DPA). They will apply in the UK from 25 May 2018 and will replace the DPA.

What are the main changes from the DPA to the GDPR?

How will they affect breed clubs like The Northern Cavalier King Charles Spaniel Society?

The main changes that affect us are the requirements relating to consent and accountability. The Kennel Club has outlined how Breed Clubs can meet the requirements.

We do NOT use data for marketing purposes and all details of our judges are held securely purely for judging list purposes.

However, we do need to gain consent from our judges to obtain, to retain and use their personal information on our website www.northerncavalier.co.uk where the judge's lists are displayed.

We need evidence that we are complying with the principles of data protection which includes evidencing that judges provided consent.

Please read the Privacy Statement below before giving consent for your data to be held by
